MCGRAW-HILL E-BOOK COLLECTION SYSTEM INTRODUCTION

EASY TO USE, FASTER AND FLEXIBLE ON MCGRAW-HILL EBOOK COLLECTION

1. We offer full-text search-both simple and advanced search and federated search.
2. The system is compatible with multilingual publications.
3. Discover legally content from leading publisher all over the world.
4. Diverse subjects are included, such like: academic, scholarly works, novel & fictions and so on.

MCGRAW-HILL E-BOOK COLLECTION PLATFORM SYSTEM

McGraw-Hill E-Book Collection homepage

The screenshot displays the McGraw-Hill Education E-Book Collection homepage. At the top, the McGraw-Hill Education logo is on the left, and the language selection menu (Language: 繁體中文, 简体中文, English, 日本語) is on the right. Below the logo is a navigation bar with categories: General, Arts & Humanity, Social Science, Science, Technology, Medicine, and News. A search bar is located below the navigation bar, with a dropdown menu set to 'All' and buttons for 'Search' and 'Advanced Search'. The main content area is divided into four sections: 'Most Popular', 'Newest', 'Featured', and 'Favorites'. Each section displays a grid of e-book covers. Annotations with orange boxes and arrows point to the 'Interface Language' menu, the 'Search' button, and the 'Catalogue' (referring to the search bar area).

Type in key words or phrases in the search box. Select from the six main subjects of the drop-down menu and continue searching.

Simple Search

Users can search for the following fields: title, publisher, author, ISBN, abstract, and content. . Fill in key words in the columns below. Click search, users can access all the books or books purchased.

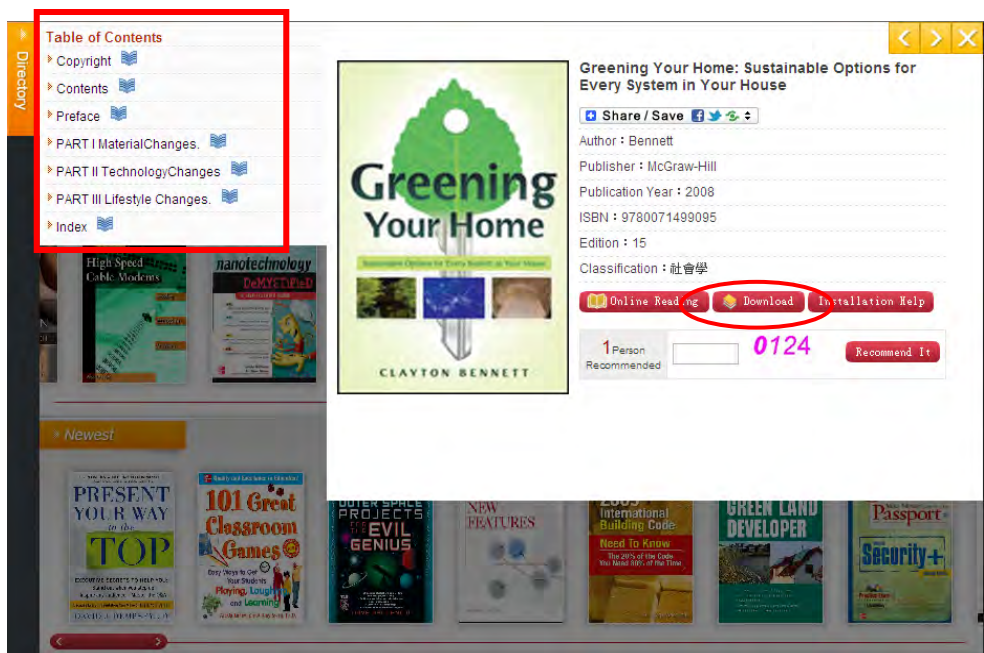

Advanced Search

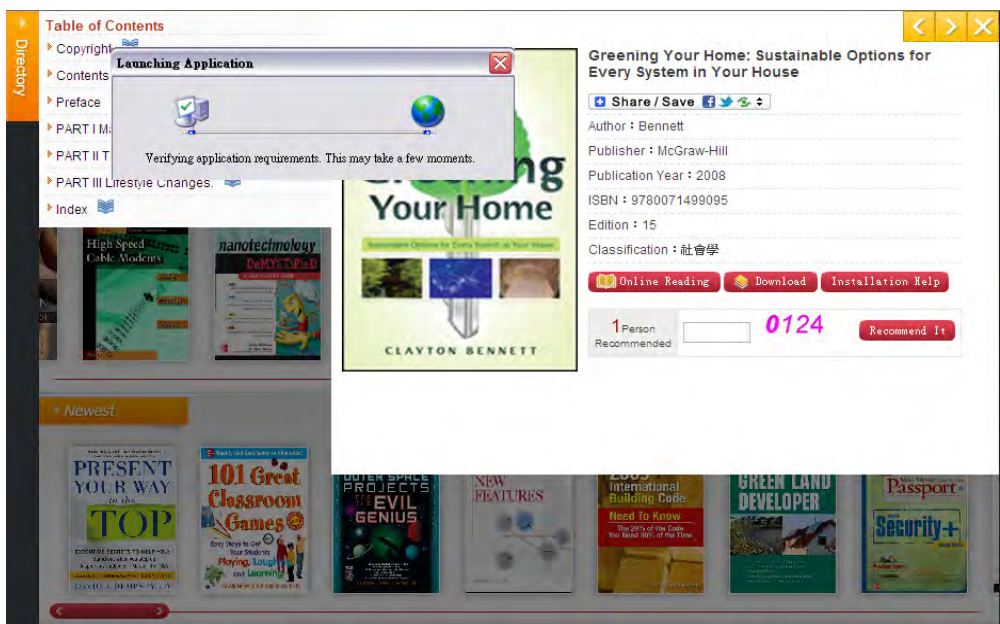

BOOK INFORMATION

Click the book name of the . A new window would pop out and show the book information detail.

- There are two main parts in the book information detail:
 1. Book copyright info: Title, Author, Publisher, Publication Year, ISBN, Edition, Classification, Read Online, Download, and Installation Help, etc..

When clicking the “Download” or “Charpter list within Table of Contents” , system will connect the eBook Reader as show as below:

SMART READER (OFFLINE READING)

When user on bibliography page, she/he can click the "Installation Help" function. The pop up window will display the installation requirement for the user

系統需求	檢查結果
Windows XP SP2 以上	請自行檢查視窗版本
IE 7 以上或 Firefox 3.5 以上(需安裝「.NET Framework Assistant」擴充套件。Firefox 4 暫不支援)	MSIE 8.0
Window Installer 3.1 以上	若未安裝，請點選 Window Installer 3.1 並安裝
.NET Framework 2.0 (3.5 版跟 3.0 版已包括 2.0)	.NET CLR 2.0.50727
MS XML Parser 4.0 以上 (建議 6.0)	Msxml2.DOMDocument.6.0
Proxy Plug-In(認證型 Proxy 環境專用)	若未安裝，請點選 SMART Proxy Plug-In 並安裝 (需要使用 proxy 才用系統管理員安裝，且須移除舊版 SmartReader)

When user on bibliography page, she/he can click "Download" function. The system will start to download the SMART READER program and install it on your computer.

The screenshot displays a digital library interface. On the left, a 'Table of Contents' sidebar is visible, with a red circle highlighting the 'PART I Material Changes', 'PART II Technology Changes', and 'PART III Lifestyle Changes' sections. The main content area features a book cover for 'Greening Your Home' by Clayton Bennett. To the right of the cover, the book's metadata is listed: Author: Bennett, Publisher: McGraw-Hill, Publication Year: 2008, ISBN: 9780071499095, Edition: 15, and Classification: 社會學. Below the metadata, there are three buttons: 'Online Reading', 'Download', and 'Installation Help'. The 'Download' button is circled in red. At the bottom of the interface, there is a 'Recommend It' section showing '1 Person Recommended' and a counter '0124'.

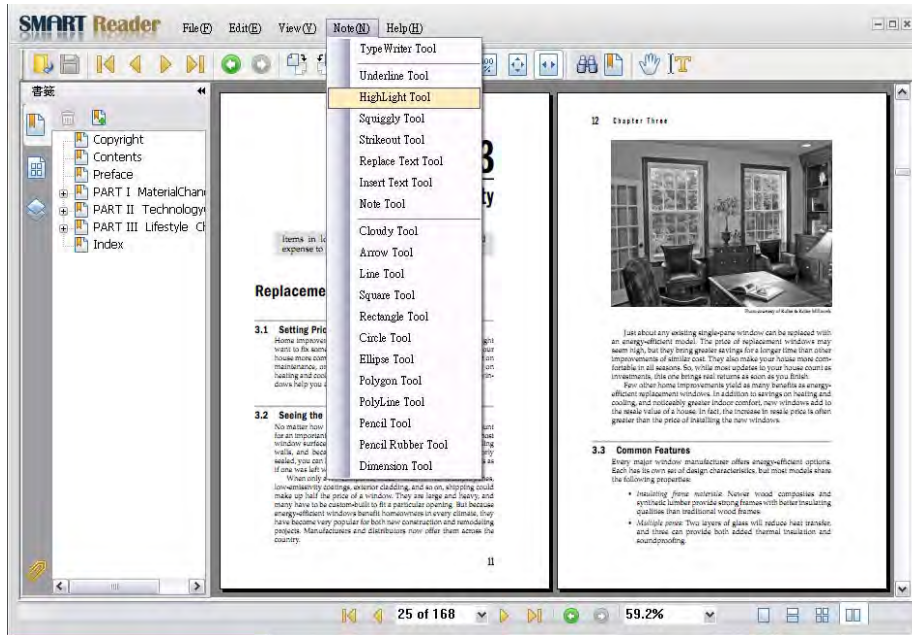

Important Function on Menu Bar

Text Input and Annotation Tool

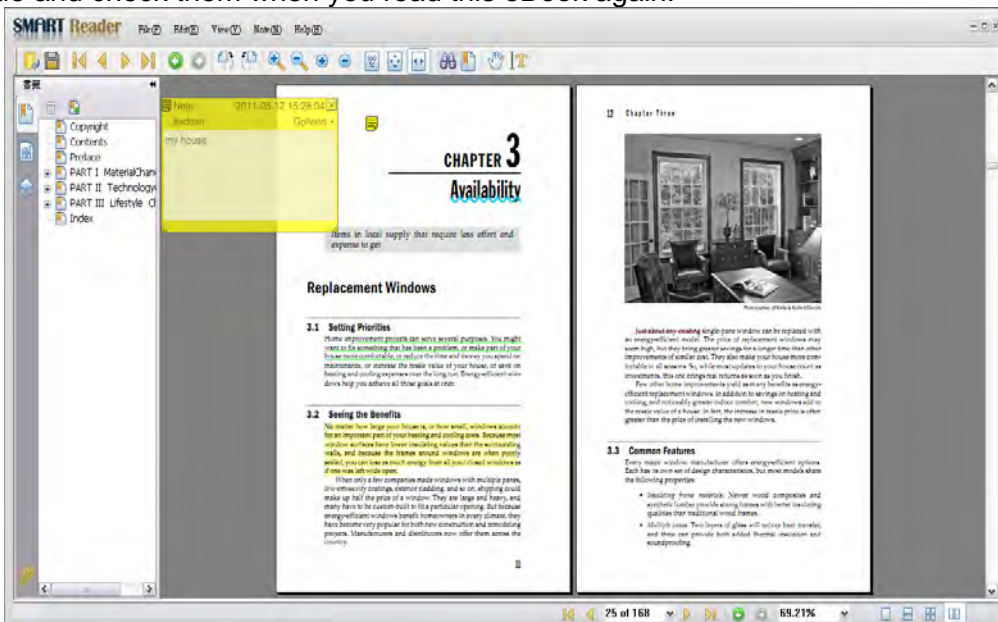

For keeping the similar usage like reading paper books, we develop special text annotation tool and various marking functions in Smart Reader.

Let us show the sample below :

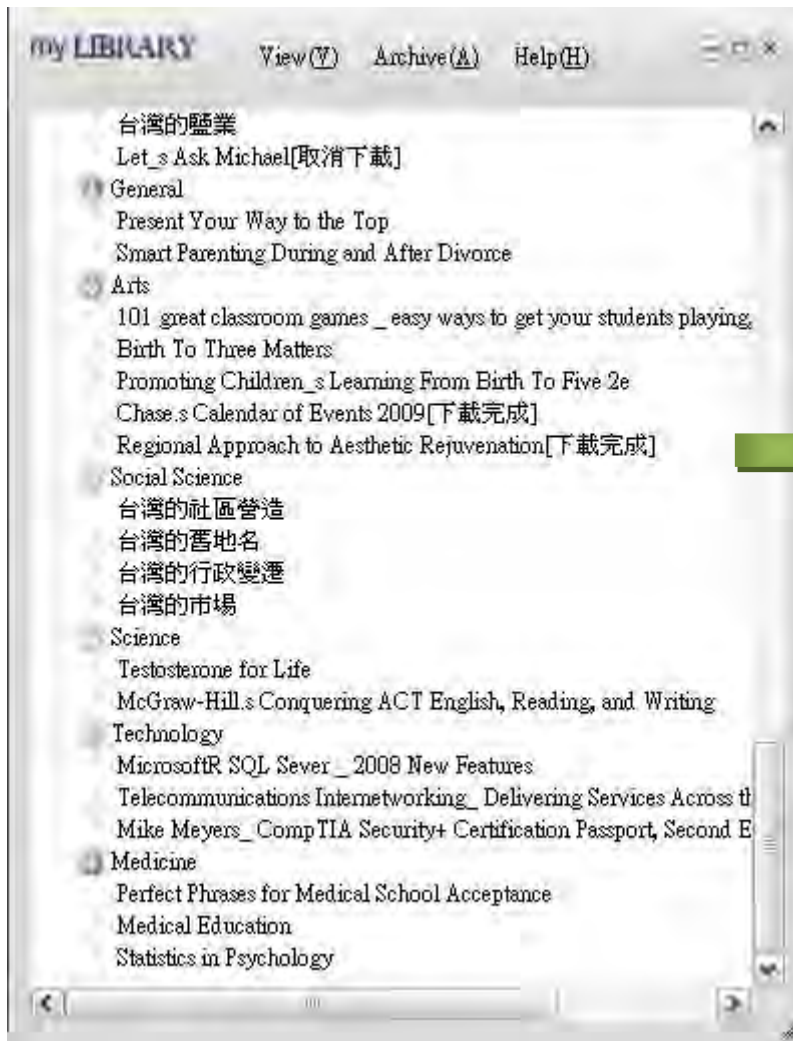

1. Open one E-Book title.
2. When you turn to the specific page and want to highlight some important words or paragraphs. You can choose the highlight or underline tool under drop bar of Note function in the menu list.

3. You will see the special effect like highlight if you use "Highlight Tool" to select the specific words or paragraphs. You can see the sample below:
4. Note function : Select "Insert Text Tool" within Note function and move your cursor to the place to input the text. When you finish to write your note, you can select "Save " to keep your thought within this title and check them when you read this eBook again.

MY LIBRARY INTRODUCTION

1. My Library is user's personal library service in client end.
2. Program will save the full reading list and information for user.
3. User can classify and manage E-books according to personal arrangement.
4. Downloading percentage will be displayed when user download the book.
5. Every book can be viewed for 30 days.

EBOOKS READER (ONLINE READING)

When user on detail bibliography page, he/she can click "Online Reading" function and the system will launch the Online Reader immediately.

The screenshot shows a library website interface. On the left is a 'Directory' sidebar with a 'Table of Contents' section containing links for Copyright, Contents, Preface, and three parts of the book (Material Changes, Technology Changes, Lifestyle Changes), plus an Index. The main area features the book cover for 'Greening Your Home' by Clayton Bennett. To the right of the cover are metadata fields: Author (Bennett), Publisher (McGraw-Hill), Publication Year (2008), ISBN (9780071499095), Edition (15), and Classification (社會學). Below the metadata is a row of buttons: 'Online Reading' (circled in red), 'Download', and 'Installation Help'. Further down, there is a '1 Person Recommended' section with a search box containing '0124' and a 'Recommend It' button. At the bottom, a row of book thumbnails is visible, including titles like 'High Speed Cable Modems', 'nanotechnology DeMYSTiFieD', '101 Great Classroom Games', 'OUTER SPACE PROJECTS THE EVIL GENIUS', 'NEW FEATURES', '2009 International Building Code Need To Know', 'GREEN LAND DEVELOPER', and 'Passport'.

The screenshot displays an online reader interface for a book. The top navigation bar includes the 'L&B Library & Book' logo, search, and navigation icons. The main content area shows a two-page spread. The left page is labeled 'Chapter Two' and features a large image of a 'safecoat flat' paint can. Below the image, text discusses indoor air pollution and VOCs. Section 2.3 'Clearing the Air' provides advice on choosing low-VOC products. The right page is titled 'Health' and contains sections 2.4 'Comparing Products' and 2.5 'Other Surface Treatments'. A 'Resource' box on the right side of the page lists 'Wallboard primers' and 'Wood and metal primers'. A magnifying glass icon with the text '點擊放大' (Click to enlarge) is located at the bottom right of the page.
