Thieme E-Book Library – Getting started

The screenshot shows the Thieme E-Book Library homepage. At the top, there is a navigation bar with links for Home, About Thieme E-Books, FAQs, Contact us, Licensing, and Getting Started. Below this is a search bar with a text input field containing 'Enter search term', a dropdown menu for search options (Phrase Match, Advanced, Content), and a 'Go' button. The main content area is titled 'e-booklibrary | Sort: By Title [A - Z]' and displays a list of books. Each book entry includes a cover image, title, description, ISBN13, and author(s). Callout boxes are connected to various elements: 'Read Offline' (top left), 'User Login' (middle left), 'Specialties' (bottom left), 'MARC Records' (bottom left), 'Sort by' (top right), 'Search' (top right), 'Phrase Match' (top right), 'Advanced' (top right), 'Content' (top right), 'Go' (top right), 'Sort by' (top right), 'View' (top right), 'Print' (top right), 'Read E-Book' (middle right), 'Download E-Book' (middle right), 'Read E-Book' (bottom right), and 'Download E-Book' (bottom right).

To read books offline, download iPublishCentral reader

Thieme E-Book Library – Inside the book

The image shows a screenshot of the Thieme E-Book Library interface, displaying a page from the 'Color Atlas of Neurology' with various interactive features highlighted by blue callout boxes. The interface includes a search bar, a table of contents, a list of bookmarks, and a main content area with text and diagrams. The callout boxes are as follows:

- Search within the book**: Points to the search bar at the top left.
- Add bookmarks**: Points to the 'Bookmarks' icon in the left sidebar.
- Highlight text**: Points to the highlight icon in the top toolbar.
- View notes**: Points to the 'Notes' icon in the left sidebar.
- Select topic**: Points to the 'Table of Contents' icon in the left sidebar.
- Add notes**: Points to the 'Add Note' dialog box.
- Copy text**: Points to the copy icon in the top toolbar.
- Download related media**: Points to the 'Media Library' icon in the left sidebar.
- Zoom in and out**: Points to the zoom controls in the top toolbar.
- Full screen**: Points to the full screen icon in the top toolbar.
- Rotate pages**: Points to the rotate icon in the top toolbar.
- Toggle between single or double page view**: Points to the page view toggle icon in the top toolbar.
- Access bookmarks and notes**: Points to the 'booklibrary | My Folder | Logout' links at the top right.
- Print pages**: Points to the print icon in the top toolbar.
- Bookmarked page**: Points to the bookmark icon in the right sidebar.
- Navigate directly to a page**: Points to the page navigation controls at the bottom.
- Navigate between pages**: Points to the left and right arrow navigation icons at the bottom.

System Requirements

- Supports all leading browsers (Internet Explorer 7 or higher, Safari for Mac, Firefox and Chrome)
- JavaScript should be enabled (by default in most browsers)
- Adobe Flash Player from version 9.0.124 and up is supported
- The offline content reader iOffline requires a local installation of the reader application and Adobe AIR
- Adobe Reader needs to be installed in order to download full chapter content

Register to get additional features

Registered users have a personalized account with access to additional features:

- Create bookshelves
- Set bookmarks
- Add notes
- Copy and print content directly
- Download and print full chapters
