Ebook Central Authentication

Authentication - Overview

	Method	Requirements	
With login	Patron Login	<ul style="list-style-type: none"> - Each user requires his/her own patron account. - Each user must have the option to create on such account (himself via EBC from within a defined IP range) or request one. 	Full access
	Single-Sign-On (SSO) via Shibboleth	<ul style="list-style-type: none"> - Shibboleth-installation and ideally federation registration 	
	Single-Sign-On (SSO) via OpenAthens	<ul style="list-style-type: none"> - OpenAthens-installation 	
	Single-Sign-On (SSO) via EZproxy	<ul style="list-style-type: none"> - EZproxy-installation 	
	Single-Sign-On (SSO) via any SAML-enabled system	<ul style="list-style-type: none"> - SSO- and SAML-using authentication system 	
Without login	IP-Authentifizierung für Anonymous Access + VPN (→ VPN IP) + proxied Links (→ Proxy IP)	<ul style="list-style-type: none"> - Send your IP-Ranges to ProQuest - Anonymous Access activated (ProQuest) - Continue as Guest activated (ProQuest; optional) - Bypass Login for Guest activated (ProQuest; optional) 	Partial access
	Referring URL – THIS IS CURRENTLY NOT OFFERED. (2020-05)	<ul style="list-style-type: none"> - Link to Ebook Central on password-protected webpage of the institution 	

Authentication – Anonymous Access

- Anonymous Access allows:
 - Access to your Ebook Central (browse and search)
 - Online reading of owned / subscribed titles
- Anonymous Access + Continue as Guest additionally allows:
 - Chapter Download
 - Copy/Print
 - „Extended Access“ & DDA-title interaction
- Exclusively available via Login :
 - Full download (= download the entire book)
 - All bookshelf functionalities (e.g. saving titles, adding comments in Online Reader)
- Documentation:
 - <https://support.proquest.com/articledetail?id=kA140000000ThgUCAS>

Authentication – Additional Rights

- Multiple rights („Access Permissions“) depending on user group
 - Typical use case: Allow only a certain user group access to DDA titles.
 - Each patron receives a patron type which in turn is associated with a defined set of access permissions (Patron Type matches Permission ID).
 - Can only be used with either Patron Login or Shibboleth authentication.
 - Additional information:

Authentication - Contacts

- Discussing authentication options:
 - ➔ Your account manager
 - ➔ Your ProQuest Training & Consulting Partner: training@proquest.com
- Setup of new authentication methods and specific technical questions:
 - ➔ Please contact our Support via ebooksupport@proquest.com. Always provide your institution's EBC ID (<https://ebookcentral.proquest.com/lib/hereisyourEBCid/search.action>)
- Access is not working anymore
 - ➔ Please contact our Support. Always provide your institution's EBC ID! We suggest the subject: "EBC ID <yourID> - access via <your authentication method> fails!"

MARC Data

MARC Records – Basics

- Format: Full MARC (Marc-8) if available, otherwise provisional Express MARC (Marc-8, UTF-8, MARC XML).
- Ad hoc procurement via LibCentral:
 - Via the Acquisition Catalogue
 - Via lists
 - During the ordering process
- Regular export of all holdings
 - Full and delta exports
 - For existing Holdings and DDA-titles
- Transfer to Alma, Summon, Intota can be automated (without exchange of MARC-data!)

MARC Records – Scheduled Exports

- Setup:

- Subscription and/or purchased titles (if both: delivered in one package).
- DDA titles (extra setup and extra delivery) → set up by your DDA Specialist.
- Delivery via FTP and LibCentral (FTP details are needed)
- Frequency: monthly (other options possible, e.g. weekly)

- Request:

- Contact Ebook Support on ebooksupport@proquest.com or via LibCentral: Help > Support. Make sure to include your Ebook Central site id.

- Documentation:

- <https://support.proquest.com/articledetail?id=kA140000000ThAGCA0>

MARC Records – Transfer of Holdings to Alma

- Overview:
 - No exchange of MARC records!
 - Holdings are activated in the „Ebook Central Perpetual Subscription & DDA Titles” collection.
 - Update Frequency: weekly
- Documentation:
 - Alma:
 - <https://support.proquest.com/articledetail?id=kA11W000000bmjMSAQ>
 - https://knowledge.exlibrisgroup.com/Alma/Content_Corner/Knowledge_Articles/Upload_Electronic_Holdings_from_ProQuest_Ebook_Central
 - Summon, Intota:
