Web of Science pentru autori și cercetători

Februarie 2025

Dezambiguizarea numelui autorului

Autori diferiți au același nume (polisemie)

Același autor poate publica sub nume diferite (sinonimie)

- ✓ Diverse traduceri ale numelor din alte limbi decât engleza
- ✓ Erori de ortografie
- ✓ Schimbări de nume și pseudonime
- ✓ Mai multe versiuni ale unui nume (complet sau prescurtat)

De ce trebuie să creai un profil de cercetător?

Identificatorii de autor sunt utili pentru :

- **Cercetătorii** doresc să găsească potențiali colaboratori și doresc o modalitate mai ușoară de a obține recunoaștere pentru activitățile lor de cercetare.
- **Instituțiile** doresc să colecteze, să prezinte și să evalueze activitățile profesorilor lor.
- **Editorii** doresc să simplifice fluxul de publicare, inclusiv evaluarea inter pares.
- **Agențiile de finanțare** doresc să simplifice fluxul de depunere a cererilor de finanțare și doresc să monitorizeze ce s-a întâmplat cu cercetările pe care le-au finanțat.

Identificatori de autor

- **Researcher ID**
- **ORCID**

Web of Science Researcher Profiles

Web of Science Researcher Profiles (profiluri de cercetători)

The screenshot shows the Web of Science interface for a researcher profile. At the top, the 'Web of Science' logo is on the left, and 'Search' and 'Research Assistant' are in the center. On the right, the user 'Adriana Filip' is logged in. The main content area displays the profile for 'Emilian Mosnegutu', verified with a green checkmark. His name is followed by '(Mosnegutu, Emilian)' and 'University of Bacau'. Below this, his 'Web of Science ResearcherID: B-1259-2015' is shown. A section for 'Published names' lists variations: 'Mosnegutu, Emilian', 'Mosnegutu, Emilian Florin', 'Mosnegutu, E.', and 'Emilian, Mosnegutu'. 'Published Organizations' includes 'University of Bacau, Vasile Alexandri Univ Bacau'. 'Subject Categories' lists 'Engineering; Environmental Sciences & Ecology; Chemistry; Metallurgy & Metallurgical Engineering; Automation & Control Systems'. On the right side of the profile, there are three buttons: 'Share', 'Submit a correction', and 'Add alert'. Below these is a 'Verify your Author Record' section with instructions and a 'Go to author search' button. At the bottom right, a 'Metrics' section shows '109 Total documents' and '91 Publications indexed in Web of Science', with an 'Open dashboard' button and a help icon.

Profilurile de cercetător
Web of Science permit autorilor de cercetări să își listeze într-un singur loc publicațiile, indicatorii de citare și recenziile peer review.

Profilul este ușor de gestionat, poate fi exportat pentru a fi utilizat ca dovadă în diverse aplicații și oferă informații despre istoricul de publicații al unui cercetător.

Web of Science Researcher Profiles

The screenshot displays a researcher profile for Lingxin Chen. The profile includes a header with the researcher's name, a photo, and a 'Verify your Author Record' button. Below this, there are sections for 'Published names', 'Subject Categories', 'Awards', and 'Other Identifiers'. The main section is titled 'Documents' and shows a list of 496 documents. The first document listed is 'Self-assembly of Au@Ag@Ni along M23 framework: A SERS nanocarrier for bacterial detection and killing' by Bi, Lijun; Zhang, Huanghui; Chen, Lingxin; and Chen, Lingxin, published in 'Biosensors and Bioelectronics' in October 2022. Other documents listed include 'An ultra-light sustainable sponge for elimination of microplastics and nanoplastics', 'A sustainable emulsion for separation and Raman identification of microplastics and nanoplastics', 'Brand-Specific Toxicity of Tea Tread Particles Helps Identify the Determinants of Toxicity', 'Biotargeting of gutathione variation for early diagnosis of hepatocellular carcinoma using a liver-targeting retinoidic near-infrared fluorescent probe', 'Methylparaben toxicity and its removal by microalgae *Chlorella vulgaris* and *Phaeodactylum tricornutum*', and 'Dual-Mode Undistorted Visual Sensing Strategy through Manipulating the Coffee Ring Effect on Microfluidic Paper-Based Chip'. The right sidebar contains 'Metrics' (496 Total documents, 488 Web of Science Core Collection publications, 0 Preprints, 0 Dissertations or Theses, 5886 Verified peer reviews, 680 Verified eprints records), 'Web of Science Core Collection metrics' (95 Index, 488 Publications in Web of Science, 31,119 Sum of Times Cited, 20,588 Citing Articles, 112 Sum of Times Cited by Patents, 105 Citing Patents), an 'Author Impact Beamplot Summary' showing a citation percentile range, and an 'Author Position' bar chart (First: 6%, Last: 76%, Corresponding: 76%). At the bottom, there is a 'You might be interested in...' section with recommendations for other researchers and a 'Co-authors' list.

Web of Science Researcher Profiles

Prezentare generală a cercetătorului

The screenshot displays the profile of Lingxin Chen, a researcher at the Yantai Institute of Coastal Zone Research, Chinese Academy of Sciences. The profile includes a bio, subject categories (Chemistry, Science & Technology), and awards (Highly Cited Researcher). The 'Documents' section shows a list of 496 publications, with the first few entries visible. The 'Metrics' section provides a summary of the researcher's impact, including 496 total documents, 31,119 articles, and 112 patents. A 'Citation Percentile' chart shows the researcher's performance relative to others in the field, and an 'Author Position' bar chart shows the distribution of roles (First, Last, Corresponding) across their publications. The 'You might be interested in...' section lists recommended authors, and the 'Co-authors' section lists other researchers who have collaborated with the profiled researcher.

Author Impact Beamplot

<https://webofscience.help.clarivate.com/en-us/Content/author-record.html>

Author Impact Beamplot:

- Contextualizarea articolelor unui cercetător pentru a le adapta la comparații
- Oricine poate vedea schimbarea performanței pe parcursul carierei unui cercetător
- Descurajează dependența de indicatori cu un singur punct, care nu au context și complexitate.

Actualizări automate ale profilului

The screenshot displays the Web of Science user interface. At the top, a notification banner reads "Greetings Nina Gracia! We have added 3 new publications to your profile since January 1st 2023." with a "View your publications" button. Below this, the main interface shows the "My publication records" section. A green box highlights the "Quick filters" area, which includes checkboxes for "Web of Science Core Collection publications" and "Automatically added". The main content area displays a list of publications, including "Prototypage rapide d'applications d'imagerie médicale exploitant un casque de réalité virtuelle" and "Utilisation d'un moteur de développement de jeux video pour le développement d'une application basique d'imagerie médicale". Each entry includes a "Not indexed" status and a "Delete" button. The interface also shows a search bar, a "Refine results" section, and a "Journals" section.

Dacă aveți un profil care conține deja cel puțin o publicație din Core Collection, noile publicații din Core Collection și preprinturi vor fi adăugate automat la profilul dvs.

- Nu este instantaneu: este posibil să dureze câteva zile pentru ca documentele să fie încărcate automat.
- Veți primi un e-mail atunci când o publicație a fost adăugată. Puteți să le respingeți pe cele care nu vă aparțin.
- Un filtru vă permite să afișați numai publicațiile adăugate automat.
- Activați/dezactivați această funcție în filele de editare ale profilului dvs.

Adăugarea publicațiilor la profilul de cercetător

The screenshot displays the 'Add publications to your profile' page. On the left, a dark sidebar contains navigation items: 'My Web of Science', 'Marked List', 'View your search history', 'Profile', 'My researcher profile' (with an 'EDIT' button), 'My records', 'Publications' (highlighted with a green box and a '+ ADD' button), 'Peer reviews' (+ ADD), 'Editor records' (+ ADD), 'Editorial board memberships' (+ ADD), 'Pending records', 'Profile notifications', and 'Saved Searches and Alerts'. The main content area has a purple header with the title 'Add publications to your profile'. Below the header, a white box contains the text: 'We found 22 of your publications' (with a 'Preferred' badge) and 'We have found 22 publications in the Web of Science Core Collection that match your email addresses and/or names.' A purple button labeled 'View my publications' is positioned below this text. Further down, there are three white boxes with dropdown menus: 'Add publications by identifier', 'Add publications by file upload', and 'Sync with ORCID'.

- Mai multe moduri de a adăuga o publicație la profilul cercetătorului
- Toate necesită o autentificare.

Adăugarea de publicații direct din documente

The screenshot shows a research article page with an export menu open. The menu options are: EndNote online, EndNote desktop, Add to my researcher profile (highlighted with a green box), Plain text file, RefWorks, RIS (other reference software), BibTeX, Excel, Tab delimited file, Printable HTML file, FECYT CVN, and Email. The article title is "Antiretrovirals for low income countries: an analysis of the commercial viability of a highly complex market". The authors are Nakakeeto, ON (Nakakeeto, Olive N.) and Elliott, BV (Elliott, Brian V.). The journal is GLOBALIZATION AND HEALTH, Volume 9, Article Number 6, DOI: 10.1186/1744-8603-9-6, Published: FEB 15 2013, Indexed: 2013-04-03, Document Type: Article. The abstract discusses the price of antiretroviral drugs (ARVs) in low income countries and the commercial viability of a highly complex market. The article is cited 19 times, with 19 Cited References. The article is classified as Background (1), Basis (0), Support (0), and Differ (0).

- Asigurați-vă că sunteți conectat la profilul dvs. de cercetător.
- Căutați folosind numele, titlul, DOI etc.

Adăugarea de publicații direct din documente

The screenshot shows a user interface for managing research documents. At the top, there are two tabs: 'Documents' (selected) and 'Peer Review'. To the right, there is a 'Document FAQ' link and a 'Manage' button with a plus icon, which is highlighted with a green box. Below the tabs, the text reads '8 Publications from the Web of Science Core Collection'. A filter bar contains a checkbox for 'Include publications not indexed in Core Collection (0)', a dropdown menu for 'All Publications', and a date filter set to 'Date: Newest first'. A pagination indicator shows '1 of 1'. Below the filter bar, a single publication entry is displayed. The title is 'Convenient synthesis and properties of polypropyleneimine dendrimer-functionalized polymer nanoparticles'. The associated author is 'Delgado, Anne'. The date is '2008-01-01' and the size is 'Small'. On the right side of the entry, it shows '13 Citations' and a 'Delete' button, which is also highlighted with a green box.

- Eliminarea publicațiilor incorecte prin intermediul paginii *My Researcher Profile*
- Sub informațiile dvs. se află o rubrică cu două file: Documents și Peer Review. Selectați linkul *Manage* din colțul din dreapta sus.
- Derulați în jos până la documentul pe care doriți să îl eliminați. Selectați *Delete* în partea dreaptă.
