Publishing in Romania

Open Access Pioneers

- Largest **Subscribe to Open (S2O)** programme
- Transformation Strategy based on mixed-model portfolio
- **S2O**: Subscription-based journals transition into Open Access on a year-by-year basis, once “threshold” is met
- Pilot project 21 titles – now 124 DG journals (2026)
- Partnerships are key: libraries, authors and funders

Transformation: Why S2O *(Subscribe to Open)*?

IMPACTFUL

Equitable access to research and OA publishing

INCLUSIVE

Free to publish for all authors

SIMPLE

No new workflows and processes

Easy to budget for libraries

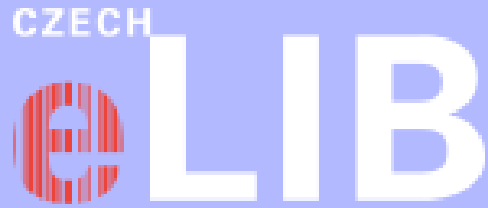

Institutional Partners

- Supported by 1400+ library partners worldwide
- They contribute by maintaining their existing subscriptions
- **True community-led publishing transition programme**

“we are deeply grateful to all institutions that continue to make this possible, and we look forward to welcoming more partners so that, together, we can shape a fairer and more inclusive scholarly publishing system,”

- - Stephanie Veldman, Director of Open Research at De Gruyter Brill.
